**LAVAGGIO**—Spolverare delicatamente e in caso di macchie lievi passare la superficie con un panno umido o con una soluzione di detergente neutro, risciacquando con acqua, senza strizzare. Lasciare asciugare al rovescio evitando l'esposizione diretta alla luce del sole. Stirare al rovescio a bassa temperatura.

Per le macchie localizzate e più ostinate (olio, grasso, cosmetici, inchiostro, caffè, liquori, chewing-gum ecc.) si consiglia di seguire le seguenti istruzioni: disciogliere tempestivamente la macchia con alcol etilico diluito (liquido incolore) in acqua al 20%, tamponare e trattare successivamente con una soluzione di detergente neutro, risciacquare bene.

**AVVERTENZE GENERALI**—I colori chiari, non devono essere messi a contatto con tessuti e capi d'abbigliamento trattati con coloranti non fissati, o con scarse solidità di tintura, onde evitare macchie ed aloni di coloranti di cui non possiamo garantire la pulitura.

**WASHING**—Dust gently and in case of light stains pass the surface with a damp cloth or a neutral detergent, rinse with water without squeezing. Let the fabric dry inside out avoiding direct exposure to the sunlight. Iron to the reverse at low temperature.

The following instructions are recommended for small located and more obstinate stains (oil, fat, cosmetics, ink, coffee, liquor, chewing-gum etc.): dissolve immediately with clear ethylic alcohol diluted in water to 20%, dab and then treat with a neutral detergent solution. Rinse abundantly.

**GENERAL WARNINGS**—To avoid permanent stains, the lighter colours of the article should not be brought into contact with textiles and clothing coloured with unfixed dyes. We cannot guarantee the ability to remove unknown dyes from light coloured product.
