Uses Applicazioni

Surround

EN— A new matt and coloured dress for a classic that for over 40 years has been used to build soft furniture of all kinds.

Surround is a heavy and enveloping coated fabric, easy to use, with excellent aesthetic results in a variety of applications.

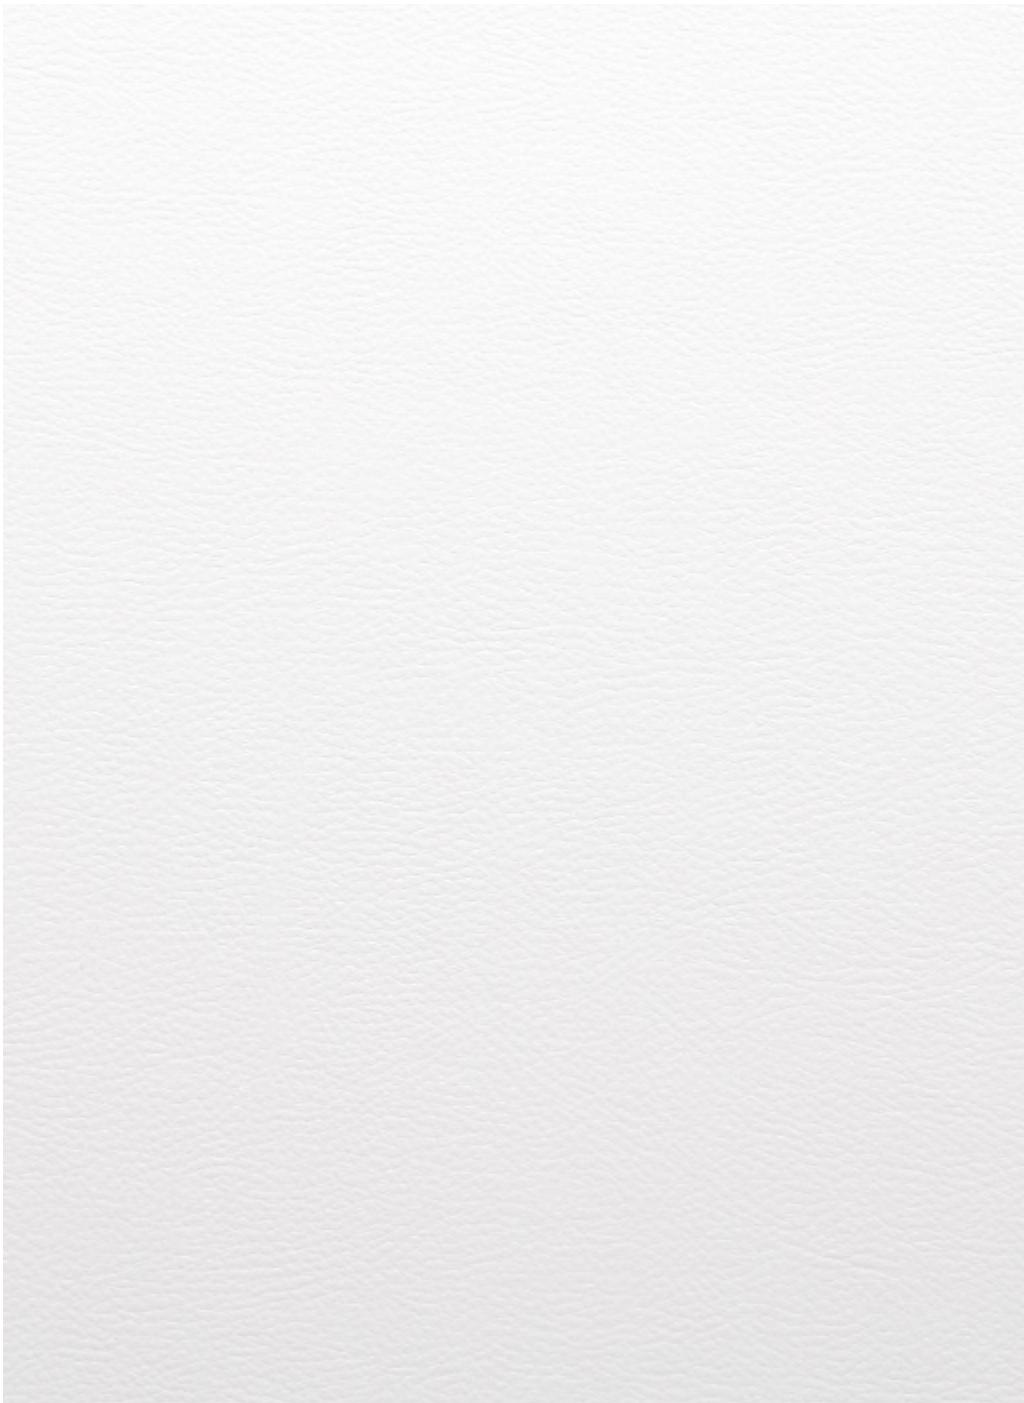

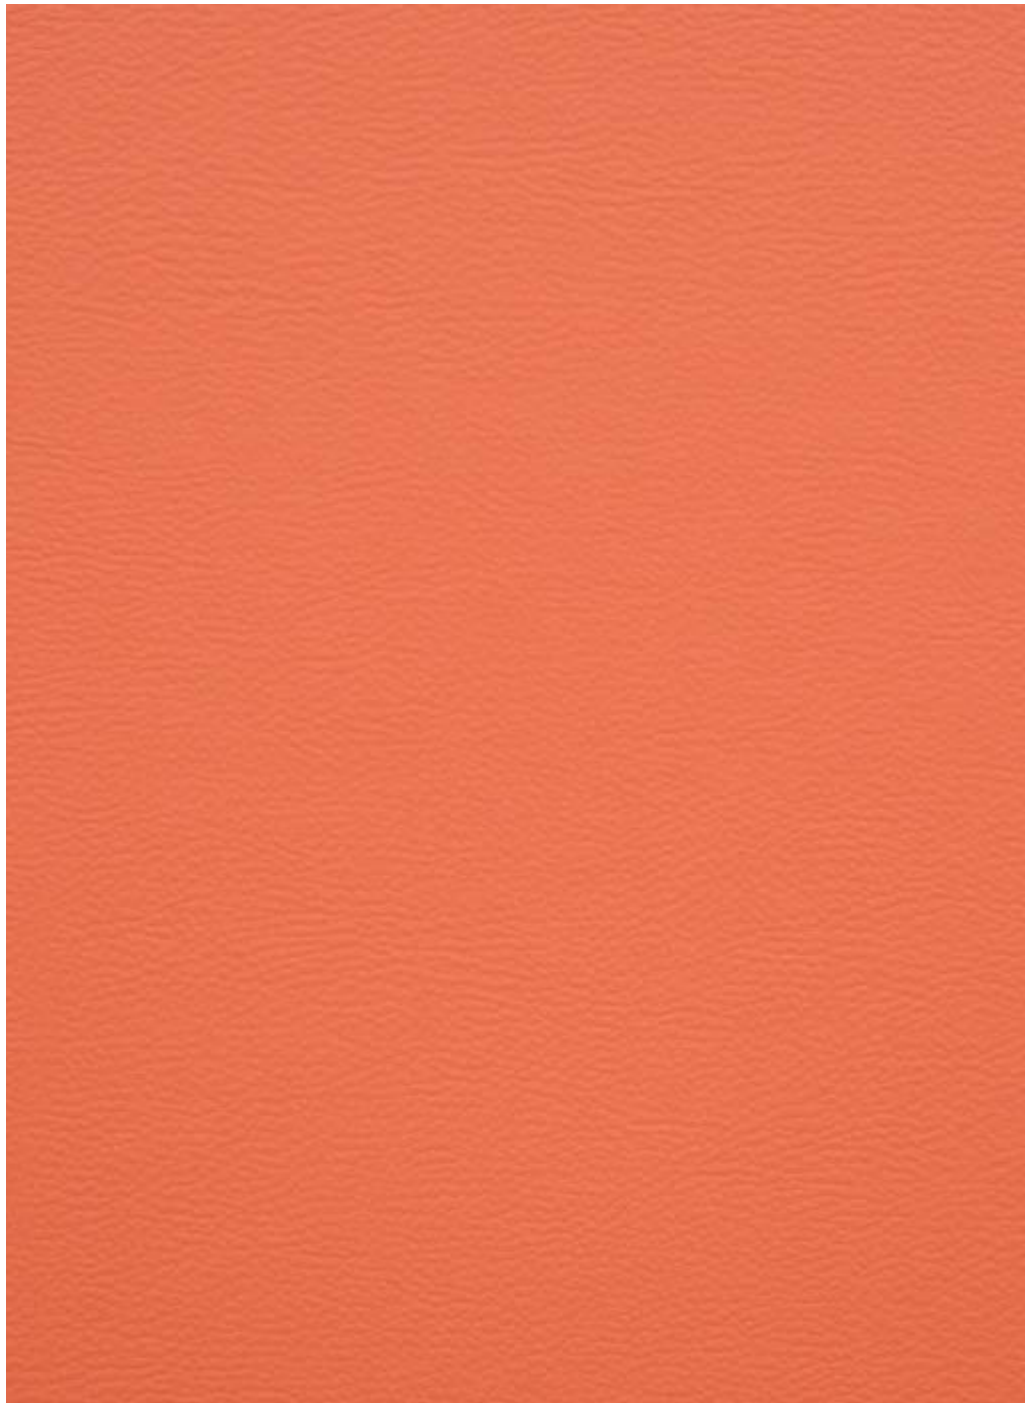

The finish on the surface is very similar to genuine leather and new flame retardant treatments allow the vinyl to be approved in the main European countries.

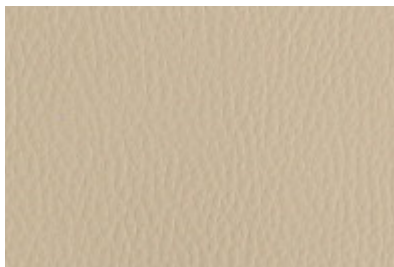

IT— Un nuovo vestito opaco e colorato per un classico che da più di 40 anni viene utilizzato per costruire mobili imbottiti di ogni genere.

Surround è un tessuto spalmato corposo e avvolgente, facile da utilizzare, con ottimi risultati estetici nelle più svariate lavorazioni.

La finitura superficiale molto simile alla pelle e le nuove tecniche di ignifugazione permettono al tessuto spalmato di essere omologato nei principali paesi europei.
